KKMDB – Formal Obligation

1. The data recipient accepts the obligation to use the data delivered by the Karlsruher Kapitalmarktdatenbank (KKMDB) solely for the purpose of research and teaching.
2. Any kind of commercial use of the data by the recipient is not permitted.
3. Transfer of the data to a third party by the recipient is only permitted as long as this is imperative for his research and teaching.
4. The data recipient is responsible for protecting the data from unauthorized access. For this purpose he arranges for an adequate physical protection of the data.
5. The data recipient exempts the KIT from any kind of liability for the correctness and completeness of the data provided.
6. If errors in the data should be discovered, the data recipient will report them to the FMI department and name the source in case of independent correction.
7. In publications of the results of the research the data recipient will mark the origin of the data through a reference and send a specimen copy to the FMI department.
